

**PERMIT REQUIREMENTS  
COVERED DECK/PATIO**

Completed Building Permit application submitted along with a survey/plot plan of the property and two sets of drawings showing the construction of the covered deck/patio. Construction drawings need to include footer depth, framing, railing specifications as well as how the deck and roof will be attached to the dwelling. Rain conductor tie-in/sump location will also have to be shown on the survey. Permit fee for covered deck/patio is \$0.20 per square foot with a minimum charge of \$150.00 plus an additional \$4.00 State Fee that can be paid at the time the permit is submitted or when it is picked up.

Survey/plot plan of property needs to have the covered deck/patio location hand drawn on it as well as the setbacks from the rear and side property lines noted. The minimum setbacks, which must be adhered to, are:

R-1 Zoning District	Rear – 40’
	Side – One-story dwelling - 15’
	Two-story dwelling - 20’
	Abutting a street - 25’
	Front – 35’
R-2 Zoning District -	Rear – 40’
	Side – One-story dwelling - 10’
	Two-story dwelling - 15’
	Abutting a street - 25’
	Front – 35’

Prior to application being submitted the survey must first be taken to the McCandless Township Sanitary Authority at 418 Arcadia Drive to have them stamp the survey for verification that there are no easements where the covered deck/patio will be located.

If the builder has paid employees a Certificate of Insurance must be submitted from his insurance carrier verifying his coverage for workers’ compensation. The builder’s insurance carrier and policy number as well as Federal/State I.D. No. is also required for the application.

Following review by both the Zoning Officer and Building Inspector the Building Permit will be issued and the applicant notified by telephone.
