**OFFICIAL
TOWN OF McCANDLESS
RESOLUTION No. 12 OF 2016**

**A RESOLUTION OF THE TOWN OF McCANDLESS, COUNTY OF ALLEGHENY, COMMONWEALTH OF PENNSYLVANIA, TO
PRESCRIBE RULES FOR PUBLIC COMMENT AT MEETINGS OF TOWN COUNCIL**

WHEREAS, Pennsylvania's Sunshine Act, 65 Pa. C.S. §§ 701 et seq., as well as Sections 405 and 406 of the Town of McCandless Charter, require the Town of McCandless to provide a reasonable period of time at each advertised regular or special meeting of Town Council for residents and taxpayers to address Council on matters of general or special concern, official action or deliberation on matters under consideration by Council; and

WHEREAS, Section 406 of the Charter provides that Council shall adopt and enforce such reasonable rules and procedures as may be necessary for the orderly conduct of its business; and

WHEREAS, the Town Council of the Town of McCandless has determined that both its compliance with the Sunshine Act and the efficient and effective conduct of its meetings and the maintenance of order at said meetings would be advanced by the promulgation of a set of rules regarding such public comment.

NOW THEREFORE, BE IT RESOLVED by the Town Council of the Town of McCandless as follows:

Section 1.

1. A separate period of public comment shall be held for each agenda item considered at each advertised regular or special meeting (business meeting) of the Town Council of the Town of McCandless after comments are made by Council, but before the item is voted upon. These comments shall be limited to the agenda items currently before Council. At the end of a regular or special meeting (business meeting), a public comment period will be held for general comments on matters of Town concern. This comment period will be subject to the same rules applicable to public comments.

2. The President of Town Council shall preside over the public comment period and shall recognize residents or taxpayers of the Town wishing to offer comment during such period.

3. Public comment shall be limited to residents or taxpayers of the Town. Any resident or taxpayer wishing to address Town Council during such public comment period shall provide their name and address prior to the public comment period. The Town shall have written forms for such identification prepared and available at each such advertised regular or special meeting of Town Council.

4. Each resident or taxpayer who has signed in and who wishes to speak shall address the President of Town Council and, upon recognition and receiving permission to speak, shall confine his or her remarks to issues or items which constitute matters of concern, official action or deliberation which are or may be before the Town Council and which relate to matters on the agenda except for the open comment period at the end of a regular or special meeting (business meeting).

5. The President of Town Council may rule out of order any offensive, insulting, threatening, scandalous or obscene comments as determined by the President to be disruptive or to otherwise prevent the orderly conduct of the official business of that meeting or who becomes boisterous or who makes threats against any person or against public order and security may be forthwith barred by the President of Town Council from continued attendance at that meeting unless permission to continue shall be granted by a majority vote of those Council members present.

6. Each individual person's comments shall be limited to a maximum of five (5) minutes and each individual shall be given an opportunity to comment on each agenda item at each regular or special meeting (business meeting). When a group of persons wishes to address Council on the same subject matter, it shall be proper for the presiding officer to request that a spokesperson be chosen by the group to address Council and to limit the number of people addressing Council on the same matter so as to avoid any unnecessary repetition. This will not prevent individual members of the group from commenting to the extent that they wish to comment on an issue not addressed by the designated spokesperson.

7. The President of Town Council shall have the authority to call a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.

8. With respect to Committee meetings, the Committee Chair shall provide for a period of public comment at the conclusion of each Committee meeting, which public comment period shall be governed by the same rules applicable to comments at regular Council meetings. Public comments at Committee meetings shall be limited to comments regarding agenda items for that particular Committee meeting.

9. At each Agenda Review meeting, the President of Council shall provide for a period of public comment after each item on the agenda, which comment period shall be governed by the same rules applicable to public comments at regular Council meetings.

10. The Town endeavors to provide accurate and timely information to questions asked by its citizens. Questions asked during public comment periods will be treated as comments. Answers will be provided by the Town Administration or Town Council as appropriate.

Memorandum

TO: Town Council

FROM: Ryan P. Hawk, Chief of Police

DATE: June 10, 2024

RE: Monthly Police Activity Report – May 2024

The Town of McCandless Police Department responded to 963 calls in the month of May.

Several members of our command staff attended training this month. Chief Hawk attended the Great Lakes Leadership Seminar put on by the FBI National Academy. Training focused on leadership principles, theories and practices that could be implemented and utilized in the department. Patrol Sgt. Ewing completed the third segment of the FBI Leadership Trilogy which focused on best practices for the command staff positions of sergeant, lieutenant and chief. Officers, including Chief Hawk, attended the FBI Law Enforcement Conference which included risk management and a debriefing of the Tree of Life mass shooting.

A third of the department completed their annual firearms qualifications. Officers also continued completing their annual updates. The officers assigned to the North Hills Special Response Team and our K-9 Officer and his partner attended their monthly required training.

Chief Hawk and Detective Sgt. Egli attended McKnight Elementary School for the Bigs in Blue Program.

On **May 3, 2024**, the North Hills DUI Task Force conducted a Stationary DUI Checkpoint in the Town of McCandless. There were 1263 vehicles that passed through the checkpoint, and 4 individuals were administered field sobriety tests. Of those evaluated, 1 was arrested for Driving Under the Influence. There were 21 citations issued for various vehicle code violations and 5 warnings given.

We received over 35 applications for the positions of Police Officer. On Tuesday, **May 5, 2024**, twenty-six (26) of those applicants took the physical agility test and twenty-three (23) took the written exam. Oral interviews will take place in the month of June.

On **May 10, 2024**, McCandless Police participated in a “mock crash” at North Allegheny High School to educate students about the dangers of impaired and distracted driving. They were accompanied by Highland, Ingomar and Peebles Volunteer Fire Companies, McCandless-Franklin Park Ambulance Authority, LIFE Flight, Allegheny County Medical Examiner, NA’s Students Against Destructive Decisions group and North Allegheny School District.

Officer Delval and Sgt. Detective Egli participated in the Special Olympics Law Enforcement Torch Run on **May 21, 2024**. The event kicks off the Special Olympics when law enforcement officers run the torch from PNC Park in Pittsburgh to the opening ceremonies in State College.

Sgt. Detective Egli participated in a tabletop active shooter exercise at UPMC Passavant on **May 24, 2024**, to help train UPMC Passavant staff with their response to active shooter events in the hospital.
