McCandless Police Department

Memorandum

TO: Town Council

FROM: Ryan P. Hawk, Chief of Police

DATE: July 14, 2025

RE: Monthly Police Activity Report – June 2025

The Town of McCandless Police Department responded to 995 calls in the month of June.

The entire staff of the police department has been training on how to use a new reporting system, with full implementation starting July 1, 2025.

Officer Davis and K9 Leroy continued their weekly training. K9 Leroy had one deployment call out during an incident in McCandless.

Sgt. Grant attended defensive tactics instructor training. This training will be utilized annually by Sgt. Grant to train officers in use of force and defensive tactics. Officer Allshouse attended motorcycle investigation training. Officers Hathaway and Croskey attended basic and advanced shooter response training. The training was conducted by North Hills SRT to instruct patrol officers on best practices when responding to active shooter incidents.

North Hills SRT officers attended their monthly training.

Our social worker has successfully referred 34 individuals to our social work services. All 34 of these individuals have received or accepted referral services, support and/or information.

On June 9, the State Attorney General's Office conducted an audit on criminal history records here in the department. We passed the audit.

Some of our officers participated in the North Hills DUI Task Force on June 21, conducting a sobriety checkpoint in O'Hara Township. There were 1091 vehicles that passed through the checkpoint and 11 individuals were administered field sobriety tests. Of those tested, 2 were arrested for DUI of drugs or alcohol. 11 citations and 4 warnings were issued for various vehicle code violations.

The police department began receiving applications for the position of full-time police officer. Testing was scheduled for July 1, 2025.

Page 2

The Police and their administrative staff continue planning their National Night Out event that will occur on Tuesday, August 5, 2025, from 5-8pm here at the Town of McCandless Town Hall grounds, weather permitting.

The police department received 38 calls relating to deer. Big Daddy Wildlife Removal picked up 13 deer.

ATTN: John Schwend, Town Manager
RE: McCandless Green Light-Go Signal Improvements Project
Recommendation for Award

Dear John,

As you are aware, bids were received and opened May 8, 2025, for the Town of McCandless Green Light-Go Signal Improvements project in which the Town received \$1,604,184.00 dollars in grant funding through PennDOT's Green Light-Go program. Five (5) bids were delivered to the Town for the opening. We have verified that Bronder Technical Services, Inc. is the lowest bidder at a cost of \$2,186,522.89. A copy of the detailed bid tabulation has been attached to this letter for your reference.

This project consists of the full replacement of signal infrastructure at six (6) intersections to replace outdated signal components to improve operational efficiency as well as reduce the costs of ongoing maintenance by providing consistent equipment throughout the Town's infrastructure. The project includes mast arms, vehicular signal heads, traffic signal controllers, radar detection, accessible pedestrian pushbuttons, emergency preemption, the removal of existing traffic signal components, and all associated site restoration to be completed in place.

It is our recommendation to the Town to award the contract for the McCandless Green Light-Go Signal Improvements project to Bronder Technical Services, Inc. for the total amount of \$2,186,522.89.

If you have any questions, please let me know.

Sincerely,
THE GATEWAY ENGINEERS, INC.

Memo To: McCandless Town Council

From: Diane M. Romanek, Executive Assistant

Date: July 8, 2025

Re: 2025-2026 Appointment of Junior Councilmember

The Town of McCandless received 7 (seven) Junior Councilmember applications by the June 6, 2025 deadline. In order to prepare for the upcoming 2025-2026 school year, and after interviews and further discussion, the Professional Staff is recommending the appointment of 2 (two) Junior Councilmembers.

The recommendations are as follows:

To recommend the appointment of Arjun Puri (incoming junior) and Christian Sperandeo (incoming senior) as the Town's Junior Councilmembers.

Furthermore, we would also like to recommend that Ronit Ginde be appointed to the McCandless 175 Committee as a youth member and advise him to apply as a Junior Town Councilmember for the 2026-2027 school year. Nadia Yusko indicated a strong interest in water quality, and we are recommending that the Environmental Advisory Committee consider Ms. Yusko for the Committee's Junior Member.

If you have any questions, please feel free to contact me directly
