

TOWN OF MCCANDLESS ADOPT-A-ROADWAY PROGRAM

In order to rid local roadways of litter and to beautify and improve our community, the Town of McCandless has established an anti-litter program known as an Adopt-A-Roadway program, in which volunteer groups adopt a Town-owned road, or portion thereof or Town park in order to pick up litter.

The Town will provide gloves, safety vests and bags for your litter clean up. Volunteers must fill out a **waiver form** each time a cleanup occurs and submit it to the Town.

You will receive a notification by e-mail approving the adoption of your road or park. State and county roads may not be adopted through this program.

Litter Clean Up Agreement

I pledge to offer my service to the community by picking up litter.

I promise to wear a safety vest or other reflective clothing during clean-up activities and exercise good judgement on the roadway.

I promise to pick up litter on my adopted road or park at least twice per year.

I will notify the Town at least one week prior to a scheduled clean up with date and times.

I will notify the Town of the location of litter bags for pick up on the next business day unless I dispose of the bags on my own.

I promise to ensure that any volunteers working under my supervision will adhere to the same rules to which I am agreeing, and that I and any additional volunteers will sign the safety waiver or complete the waiver form online.
