

# REQUEST & RELEASE FOR PLOWING OF PRIVATE ROAD

TOWN OF McCANDLESS

STREET NAME: \_\_\_\_\_

We, the undersigned property owners, are requesting plowing assistance from the Town of McCandless on our private road. We understand that ALL of the owners of property abutting the private road must sign this Request and Release and that this plowing will only be done after a storm event with an accumulation of six or more inches of snow and while Public Works crews are actively involved in plowing operations. Private roads will not be cleared until all public roads have been cleared. We acknowledge that the Town has no legal obligation to plow our private road and that private roads will only be cleared during daylight hours as crews are available.

We also understand that the Town of McCandless will not be responsible for repairing any damage to the road or to other property incurred as a result of the Town providing snow plowing assistance. We consent to the driving of the Town's snow plows on our private road, which are heavy duty vehicles and could cause damage to the road. We hereby acknowledge and agree that the Town (including its employees, officials, insurers and agents) shall not be responsible for any damage to our private road or damage to any other property which may occur during these plowing operations. We hereby waive the right to make a legal claim against the Town of McCandless with respect to any injury, damage, or other loss arising out of the Town providing plowing services to our private road.
