### **Mission Statement**

The mission of the McCandless Northern Allegheny Heritage and Cultural Center is to engage the public as a vibrant community resource that promotes stewardship of history, education, and research relating to the everyday lives of the citizens of the Northern Allegheny region.

### **Vision Statement**

To be stewards of our region's heritage, generating educational and research opportunities for individuals of all ages while maintaining a dynamic collection that reflects historical events as they occurred and demonstrates that our past is relevant, enjoyable, and meaningful.
